Students of Nootan Homoeopathic Medical College and Hospital, Kavathemahankal, attended online Case presentations on "Movement disorders." As the burden of neurological disorders is rapidly increasing in India, and Global Burden of Disease (India State-Level Disease Burden Initiative Neurological Disorders, 2021) study states, the major leading individual neurological causes of death and disability include stroke, epilepsy, dementia, Parkinson's disease, and communicable diseases. So far, highlighting the need to advocate for better clinical awareness and skills. Case presentations by (NIMHANS) National Institute of Mental Health and Neuro Sciences experts from the Department of Neurology and Multidisciplinary Specialities. Date : 07/02/2025
