## Report

### ONE DAY FACULTY DEVELOPMENT PROGRAM (FDP)

A One Day Faculty Development Program (FDP) was successfully organized by Nootan Homoeopathic Medical College & Hospital on **30th March 2026**, with the objective of enhancing the teaching and assessment skills of faculty members in alignment with modern medical education principles.

The program commenced with a warm welcome address by the Dean/Principal, Dr. Jayprakash Kore, followed by remarks from CEO Dr. Amol Patil. The inaugural ceremony included photo puja and lamp lighting by the Chief Guest, Dr. Vaishali Patil, marking the formal beginning of the event.

The FDP focused on two key themes:

Structured Lesson Planning for Undergraduate Medical Curriculum

Designing Assessment (MCQs and OSCE) based on Bloom's Taxonomy

The sessions were conducted by esteemed resource persons, Dr. Vaishali Patil and Dr. Saroj Sawant, who shared their expertise and practical insights.

Dr. Vaishali Patil elaborated on the importance of structured lesson planning in undergraduate medical education. She emphasized the formulation of clear learning

reinforce the concepts discussed during the lectures. Faculty members were divided into small groups and were assigned tasks related to structured lesson planning and designing assessment tools.

Overall, the Faculty Development Program was informative and beneficial. It provided valuable guidance to faculty members for improving their teaching strategies and assessment methods, thereby contributing to the enhancement of the quality of medical education.

The institution expresses its sincere gratitude to the resource persons and all participants for their valuable contribution in making the program a great success.

The program concluded with a valedictory session, where participants shared their feedback and experiences. The session highlighted the overall success and usefulness of the FDP. Certificates of participation were distributed to all attendees.
