Step 3 — Submit, Review & Receive CTRI Number

1

Complete All Parts

Fill all mandatory sections. Incomplete fields are flagged in red on the CTRI portal.

2

Upload Documents

Upload ILC approval letter, DCOI clearance (if applicable), and other required files.

3

Submit for Review

Click "Submit" — the dataset is sent to CTRI Secretariat for review.

4

Respond to Queries

CTRI may send queries via email. Respond within the stipulated time.

5

Receive CTRI Number

Official CTRI/20XX/XX/XXXXXX number is issued after approval. Now preclinical may begin.

DO NOT begin participant enrolment until the official CTRI number has been received and noted in your study records.

Complete submission
Day 0

Initial CTRI review
2-4 weeks

Query response by researcher
Within 7 days of query

CTRI number issued
4-6 weeks (from complete submission)

Keep a copy of your submission confirmation email and all CTRI correspondence for your records.
