Subject: Regarding organizing awareness activities on the occasion of World Suicide Prevention Day

Respected Sir/Madam,

With reference to the above subject, it is informed that 10th September is observed every year as World Suicide Prevention Day by the World Health Organization (WHO). The theme for World Suicide Prevention Day is "Changing the Narrative on Suicide", with the call to action "Start the Conversation."

On this occasion, an awareness activity was organized for the students to create awareness regarding suicide prevention, mental health, and the importance of seeking timely help.

As part of the awareness activity, Dr. Sanjay Ketkale, HOD & Asso. Professor of FMT, NHMC&H, along with the students, visited Mrs. Vaishali Kolekar Mam, Police Constable of Kavathe Mahankal. Mrs. Kolekar Mam interacted with the students and provided valuable guidance on mental health awareness, suicide prevention, and the importance of open communication and seeking timely support.

The objective of this activity was to help students understand the warning signs related to mental health, remove misconceptions and stigma surrounding suicide, promote open communication, and encourage students to seek professional help whenever required.

The students actively participated in the awareness activity and benefited from the valuable guidance provided by Mrs. Vaishali Kolekar.

Thanking you.

Yours faithfully, 12/9/26
